The University of Alabama

Tuscaloosa, AL

Student Audio Visual Technician/Technical Support

May 2015 - Present

 Created a new organization system for inventory which decreased time taking inventory and increased efficiency in locating specific items in the office.

The University of Alabama

Tuscaloosa, AL

Teaching Assistant

Spring 2015

- Helped the two most successful courses in Introduction to Programming (C Programming) succeed by motivating students to develop programs on their own for practice
- Converted several students from other majors to Computer Science majors with my enthusiasm for programming
